

UtsavManch

*Seamlessly Organize,
Participate, and Compete!*

Problem Statement

Content:

1. Clubs face challenges in organizing and promoting events effectively.
2. Students struggle to keep track of multiple events and RSVP in time.
3. Lack of centralized reminders leads to missed opportunities.
4. There's no fun way to track participation or encourage engagement.

Visuals:

- Icons for confusion, event calendars, reminders, and competition.

Solution Overview

Introducing UtsavManch

Content:

A centralized platform for clubs to create and manage events. Students can RSVP effortlessly and receive timely reminders. Gamification: A leaderboard to encourage active participation among students.

User-friendly interface with real-time event updates and notifications.

Visuals:

Icons or illustrations for features like an event calendar, RSVP button, reminders, and leaderboard.

Features & Benefits

Why UtsavManch?

- Event Creation & Management:
- Clubs can create events, upload details, and track RSVPs.
- RSVP & Reminders:
- Students get reminders for their RSVPs to avoid missing out.
- Leaderboard:
- Tracks participation for a fun and competitive element.
- Easy Accessibility:
- Access via desktop and mobile for convenience.

HOW IT WORKS

For Clubs:

Register & create events with descriptions, dates, and venue details.

For Students:

Browse events, RSVP, and get reminders.

Gamification:

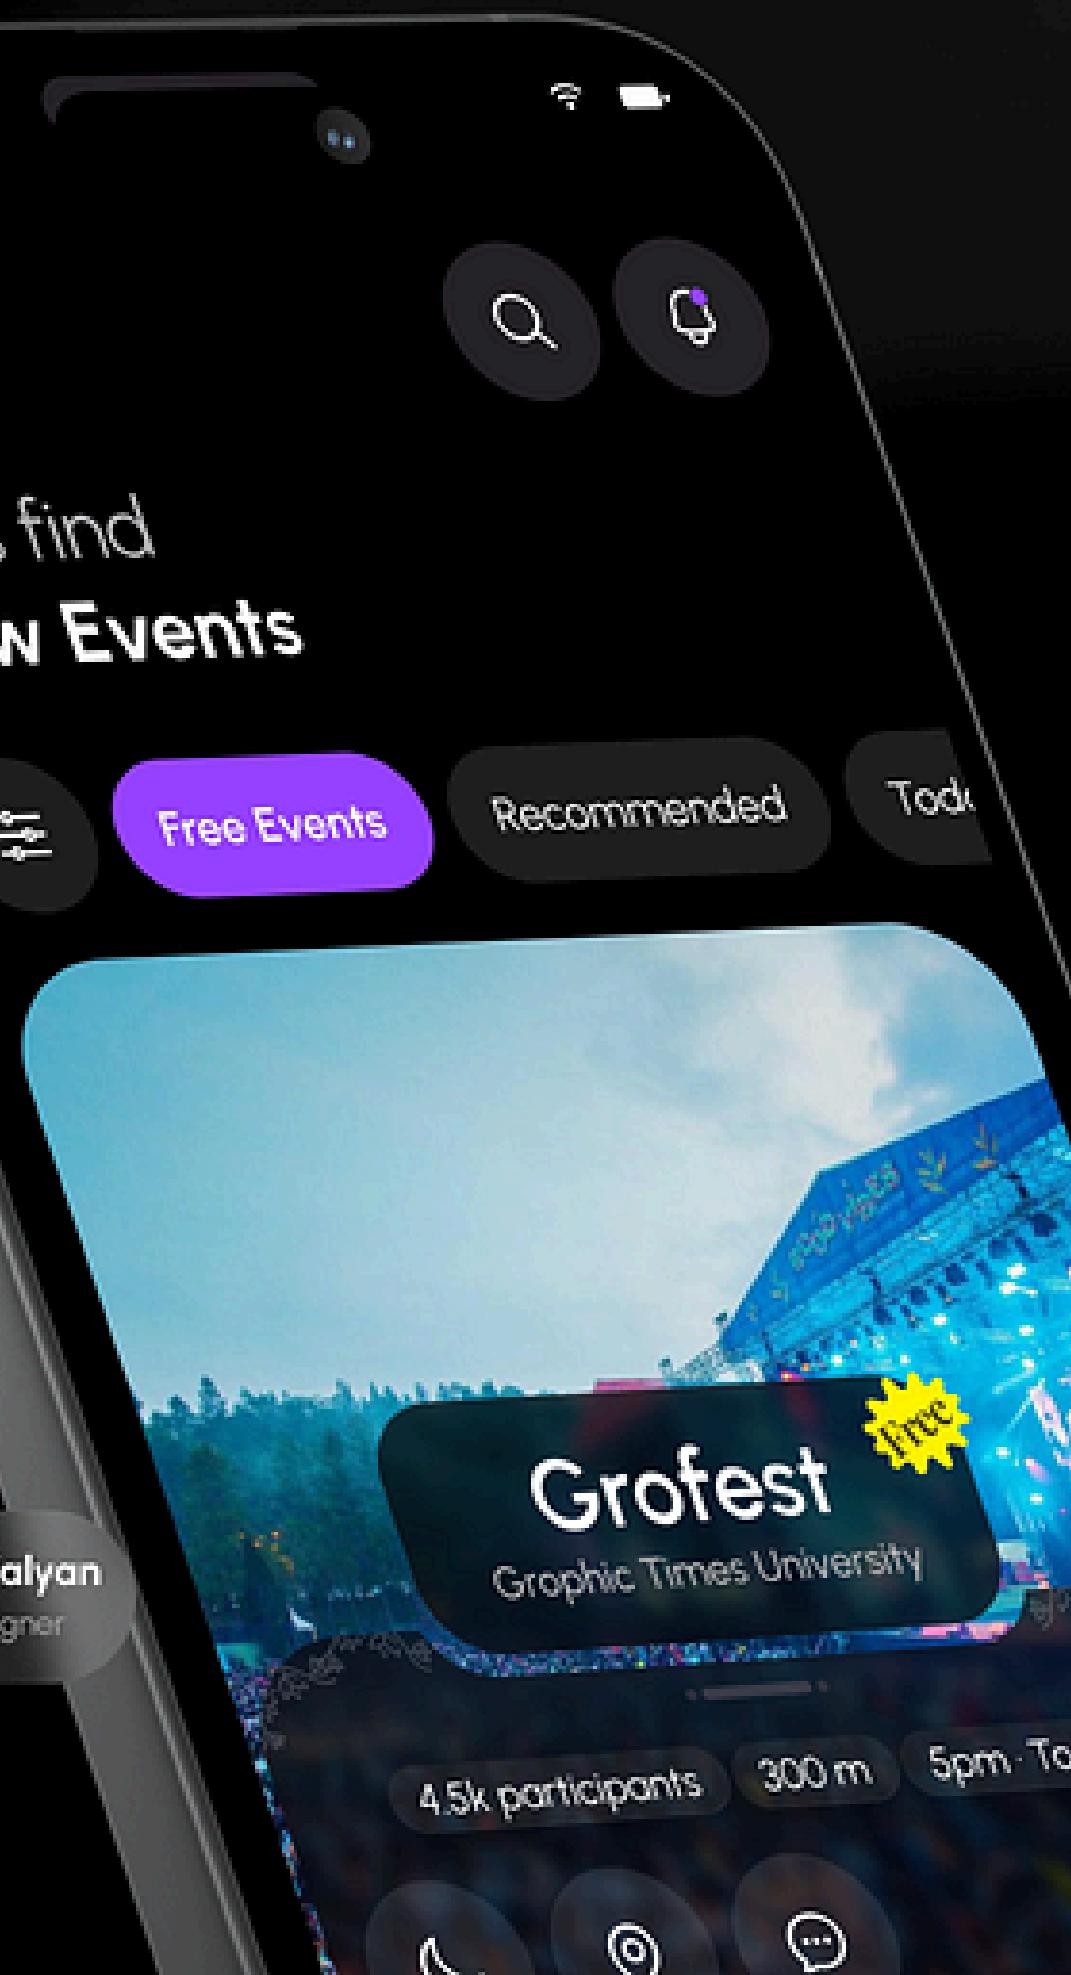

Earn points for attending events and see your rank on the leaderboard.

Notifications:

Real-time updates about upcoming or new events.

A flowchart showing the process from event creation to leaderboard tracking.

Achievements :-

✓ Fully Functional Prototype

- Clubs can create, edit, and manage events effortlessly.
- Students can RSVP, get reminders, and view event details in one place.

✓ Engaging Gamification

- Interactive Leaderboard for tracking participation and encouraging students through healthy competition.

✓ Website Showcase

A responsive website that enhances accessibility for clubs and students.

Future Developments:

🚀 Enhanced Features:

- Push Notifications for last-minute changes or updates.
- Integration of Event Analytics for clubs to measure participation.

🚀 Gamification Upgrades:

- Introduction of Rewards for top participants.

🚀 Mobile Application:

- A dedicated UtsavManch app to streamline the process even further.

Challenges:

⚠ Potential Issues:

- Ensuring real-time notifications during high traffic.
- Maintaining platform scalability as users grow.
- Overcoming student reluctance to adopt a new platform.

Solutions:

- Thorough testing and user feedback loops for platform improvement.
- A user-friendly design to ensure engagement.
